NOTE When mounting the lock the installation instruction has to be followed. The physical security features of the SELO-C V.2 locking unit are identical to those of the SELO-C series. The SELO-C V.2 is therefore approved to be used in an ECB•S certified secure storage unit, where the usage of the SELO-C series is already permitted.

The following input unit shall be used: SELO-C V.2.

The marking as ECB•S certified product, in compliance with this certificate, is only allowed with an original ECB•S certification mark or, alternatively with an own – from ECB•S approved – marking as proof of conformity according to ISO/IEC 17065.
